KATIE KIME

Dallas Toile Peel & Stick Wallpaper

Inspired by the Big D, this hand-illustrated Dallas Toile print features Big Tex and the Texas State Fair, Jerry World, classic big Texas hair, Margretta's Miron Crosby cowboy boots, and the iconic staple of the Dallas skyline, the Reunion Tower. Celebrate your Texan pride with this one of a kind Dallas Toile. All Katie Kime Wallpaper is printed in-house and on-demand on PVC-free paper with eco-friendly inks. Our Peel & Stick Wallpaper is perfect for the style-conscious renters and indecisive pattern lovers. This removable wallpaper allows you to spruce up any space without the long-term commitment.

SUSTAINABILITY

- Printed in-house to order, so nothing is overproduced.
- PVC-free, with 20% post-consumer recycled content.

ORDERING & DELIVERY

- Samples are for reviewing material, scale and print; color can shift slightly between print runs.
- Order all rolls for a project at once: rolls printed in different runs may not match exactly.
- Trade partners save 25% on wallpaper and fabric. Type II commercial vinyl available on request. trade@katiekime.com

Peel & Stick Wallpaper

CERTIFICATIONS

- PVC-free: no plasticizers, phthalates or heavy metals.

INSTALLATION

- Prep & measure: Clean the wall and let fresh paint cure 4-6 weeks. Mark a level vertical guideline for the first panel.
- Peel & align: Peel back 12-24" of backing, line the panel up at the ceiling, and press lightly. You can lift and adjust.
- Smooth & trim: Smooth from the center out as you peel. Overlap each panel 1/4" and trim the excess with a sharp blade.
